Fun Facts to tickle your fancy about the Ohio Renaissance Festival!

- To date, **over 2.1 million people** have entered the gates to experience a full day of 16th Century fun.
- To date, **over 360,000 students and teachers** have visited the shire during the festival's annual Student Days Program.
- Nearly **352 gallons of beer and ale** are enjoyed per day at the festival. That translates to **over 6,000 gallons** a season!
- **Over 638,000 pounds of turkey** have been consumed to date. That's nearly 320 tons of giant roasted turkey legs!
- Last year **5,000 pounds of steak** and **15,000 skewers** were used for Steak-on-a-Stake.
- **10 to 14 tons of dirt** was used last year to produce the famous mud in the Muditorium for the Mudde Show. That equals over 250 tons to date!
- **Tens of thousands of artisan demonstrations** have been performed in the Medieval Marketplace.
- **Over 165 couples have married** at the festival and countless others have renewed vows or proposed marriage.
- **570 lances are used** each season by the jousting troupe Knights of Valour during Tournament Jousts.
